SOFT / VIRTUAL KEYS

⋮ MENU KEY

○ HOME KEY

□ RECENT TASK KEY

◀ BACK KEY

Menu Key

Press to show setting menu

Recent Task Key

Press to show running applications

Home Key

Press to go back to the home screen, press and hold while sliding up will launch **Google Now**

Back Key

Press this button to back to previous screen

OPENING THE PHONE COVER

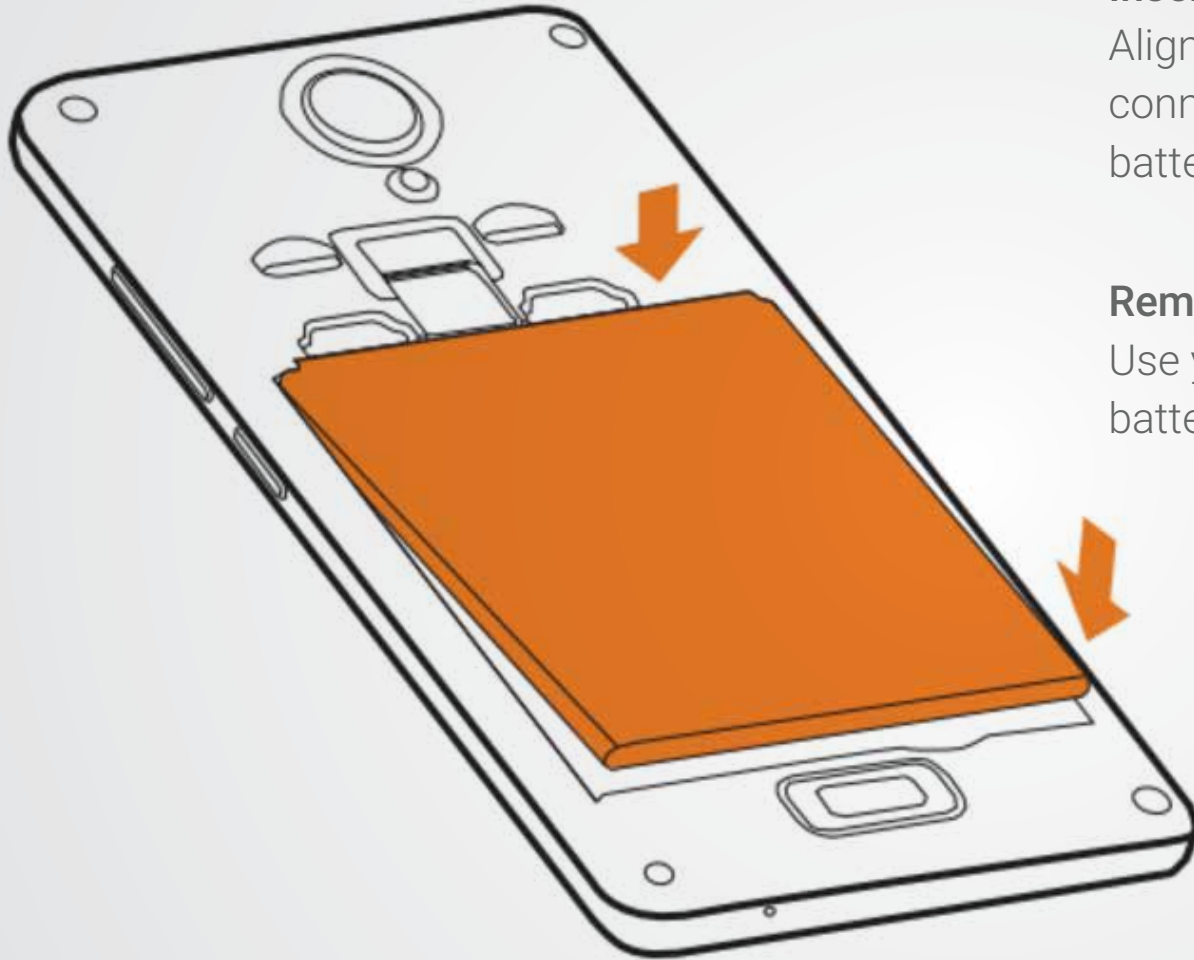

To Remove the Back Cover

Carefully pry off the back cover starting from the edge on right. Release the hooks around the edges to remove the back cover.

Replace the Back Cover

Secure the hooks on the back cover to the corresponding hinges on the device and press down to close the back cover.

INSERTING THE BATTERY

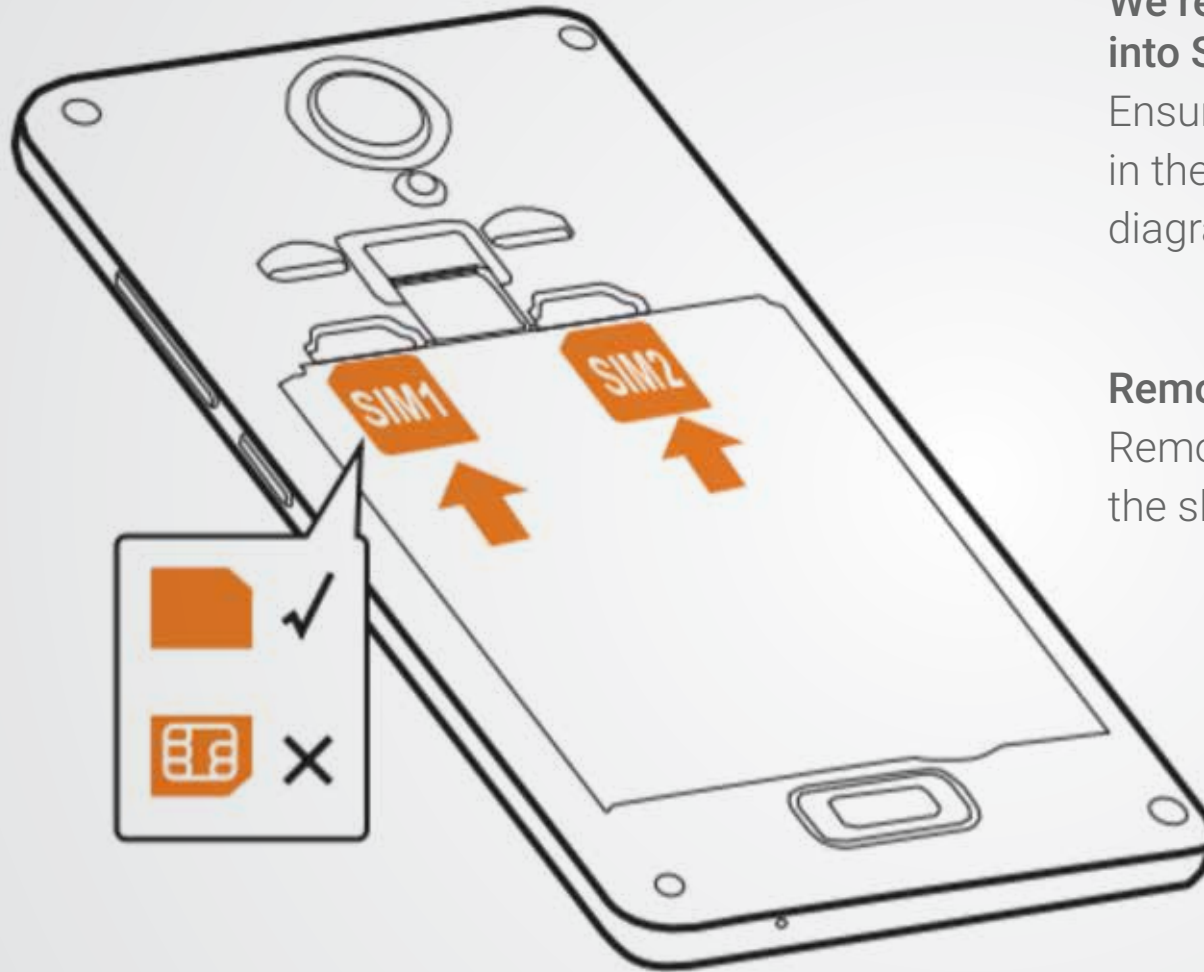

Inserting the battery

Align the contacts of the battery with the connector within the battery slot, then slide the battery into place

Removing the battery

Use your fingertips to lift the battery from the battery slot to remove the battery

INSERTING A SIM CARD

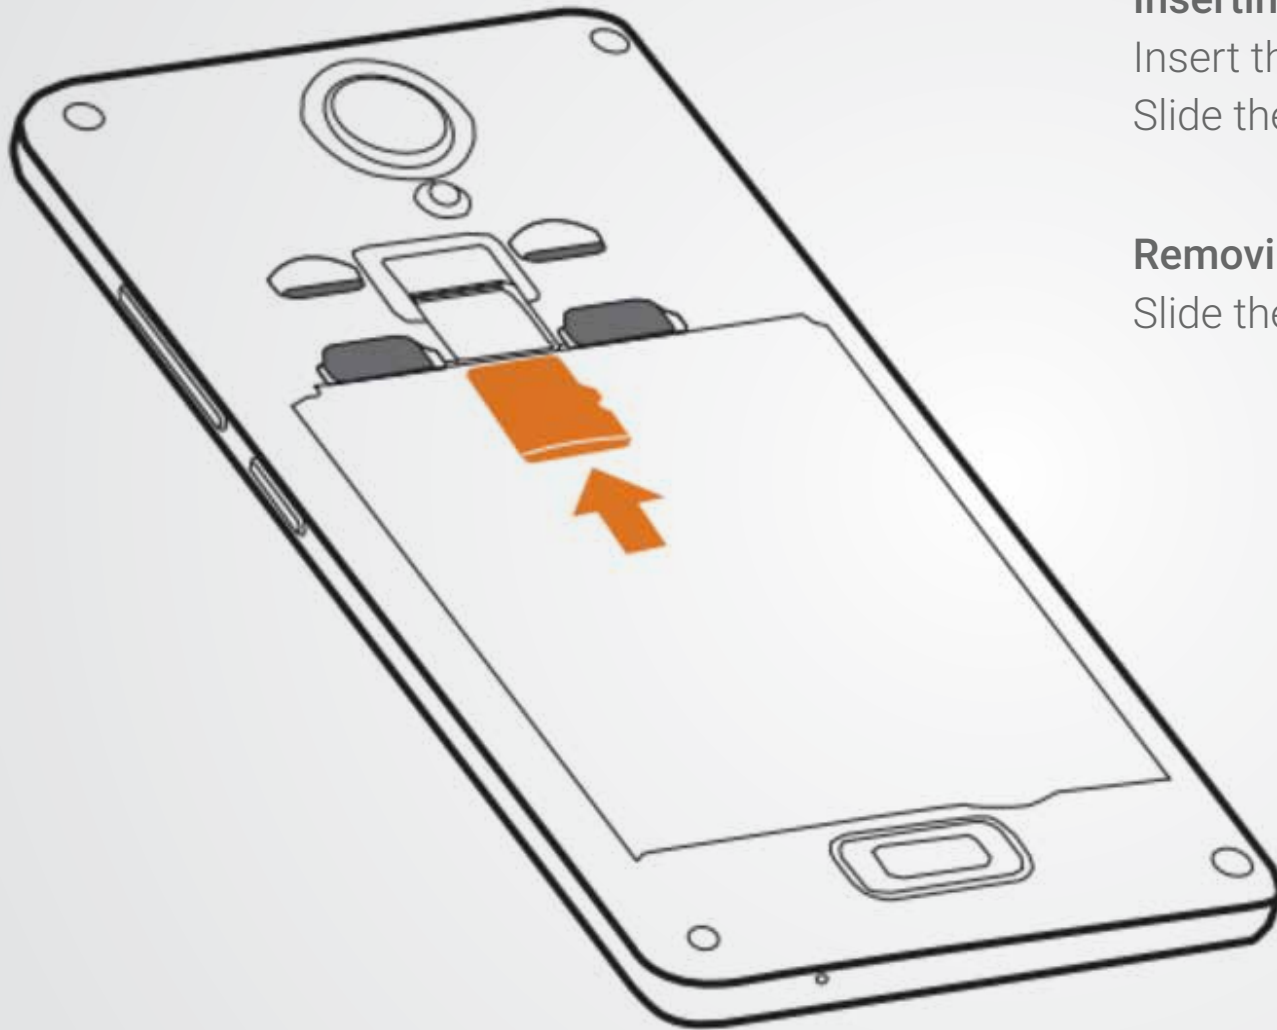

We recommend inserting your Yes SIM into Slot 1

Ensure that the chipset is facing down and slot in the SIM card as per the direction shown in the diagram.

Removing a SIM card

Remove the SIM card by gently sliding it out of the slot using your finger.

INSERTING AN SD CARD

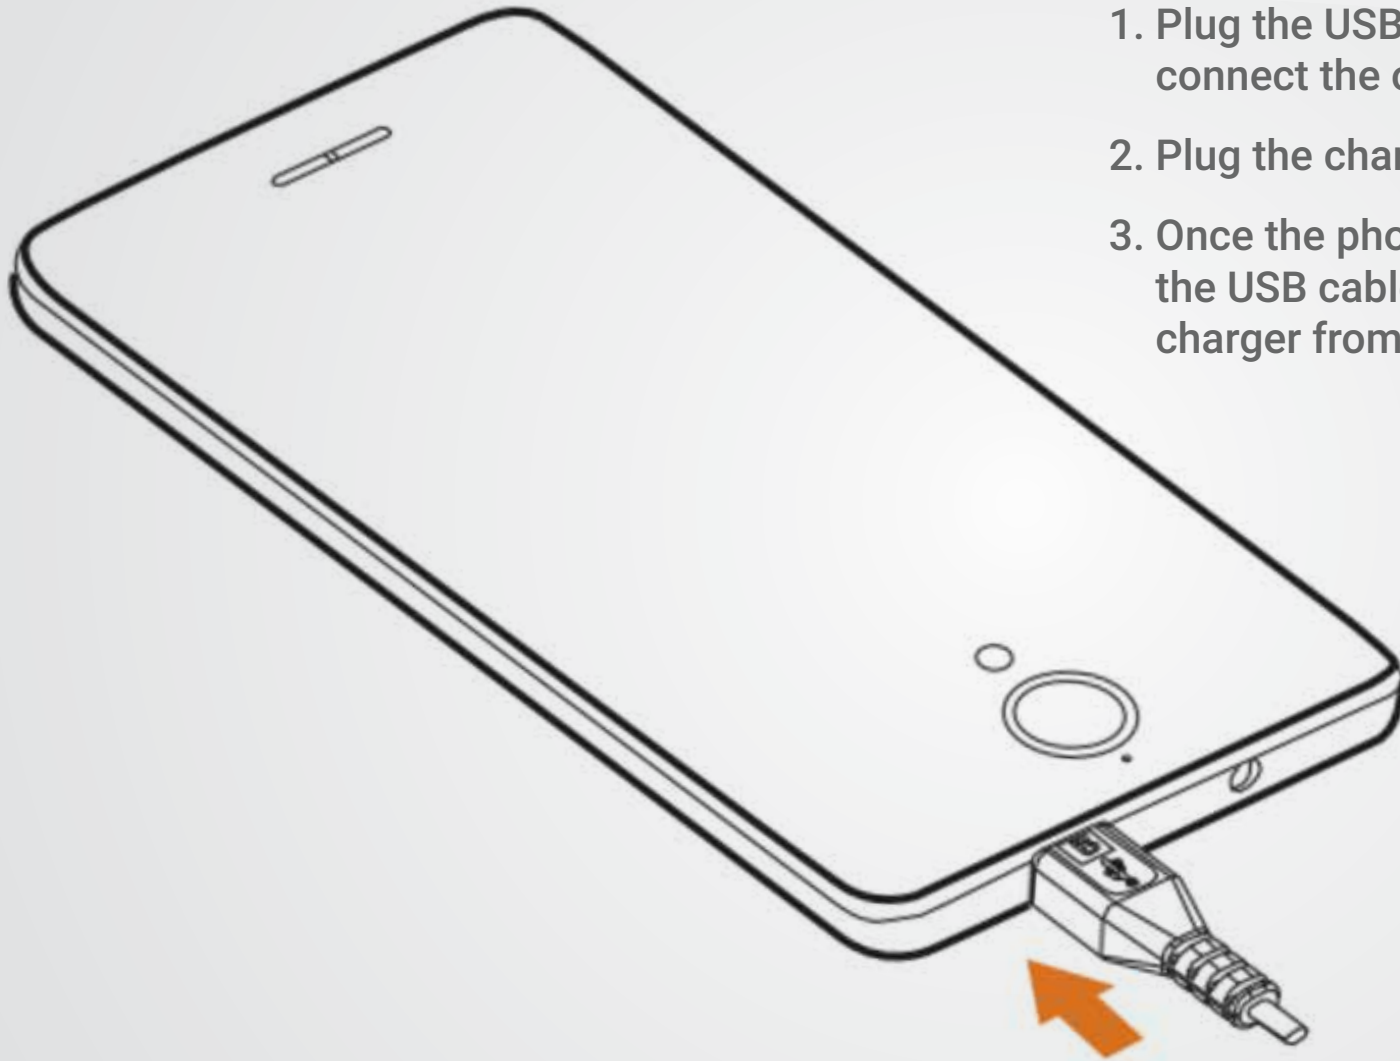

Inserting an SD card

Insert the SD card with the chipset facing down. Slide the SD card into the slot.

Removing an SD Card

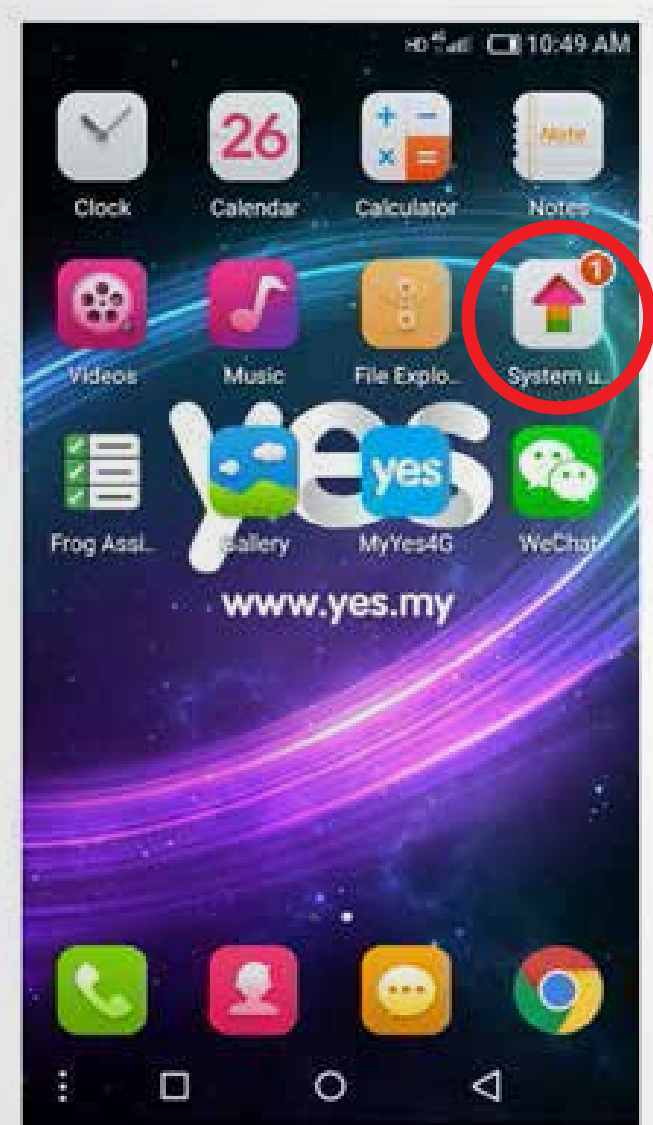

Slide the SD card out of the slot with your finger.

CHARGING YOUR DEVICE

1. Plug the USB cable into a charger port and connect the other end to your phone.
2. Plug the charger into a power outlet.
3. Once the phone has finished charging, unplug the USB cable from phone and remove the charger from the power outlet.

PERFORMING A SYSTEM UPDATE

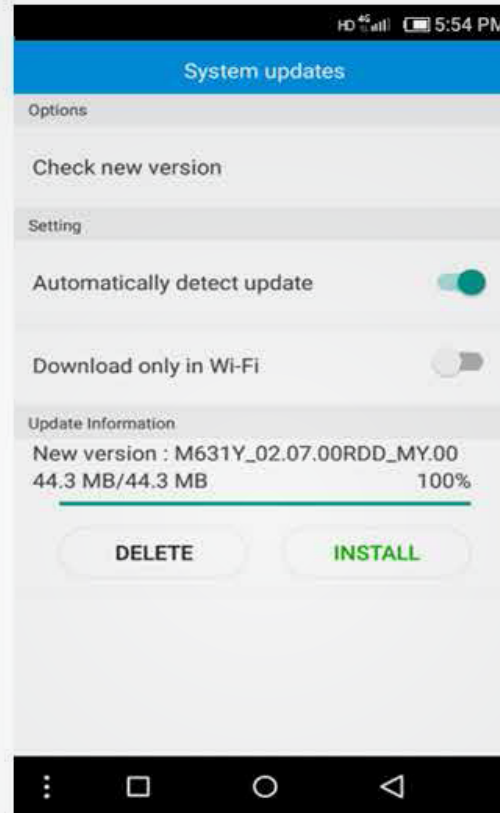

1. Turn on the phone.
2. Use the system updates app to check new version.
3. You can also use (Settings > About phone > System > Updates > Click on Check new version)

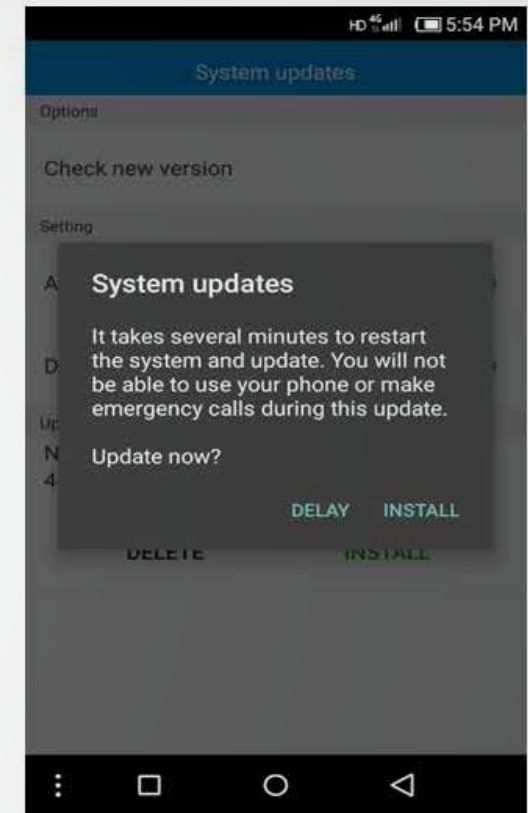

PERFORMING A SYSTEM UPDATE

1. If there is a new version, the info will be displayed under Update Information.

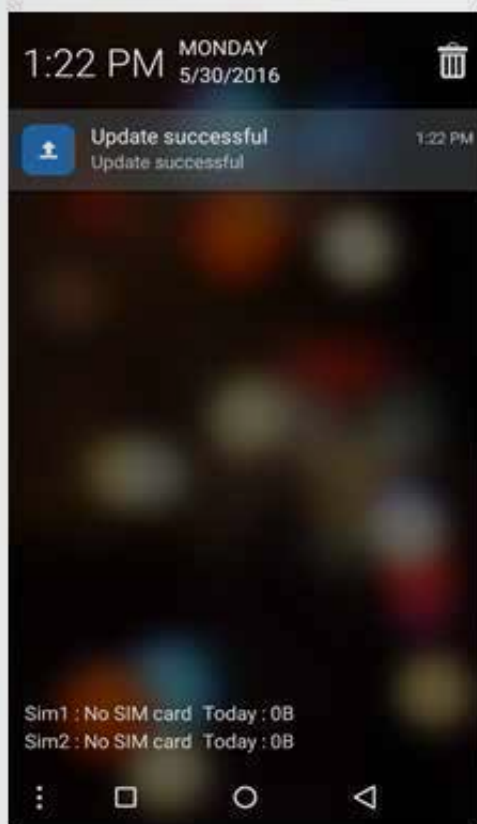

2. Click Download and it will proceed.

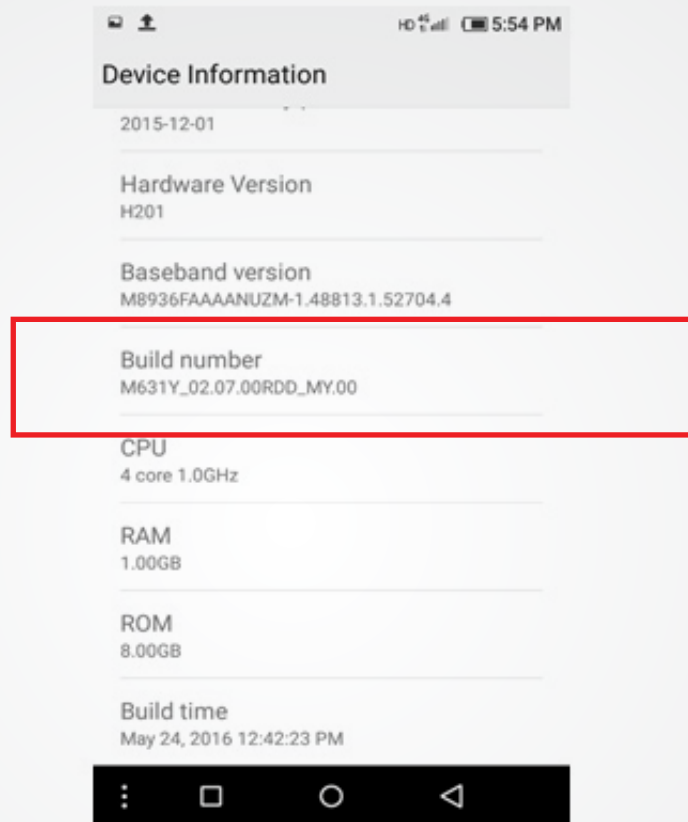

3. Once the download has completed, select INSTALL. The phone will auto reboot.

PERFORMING A SYSTEM UPDATE

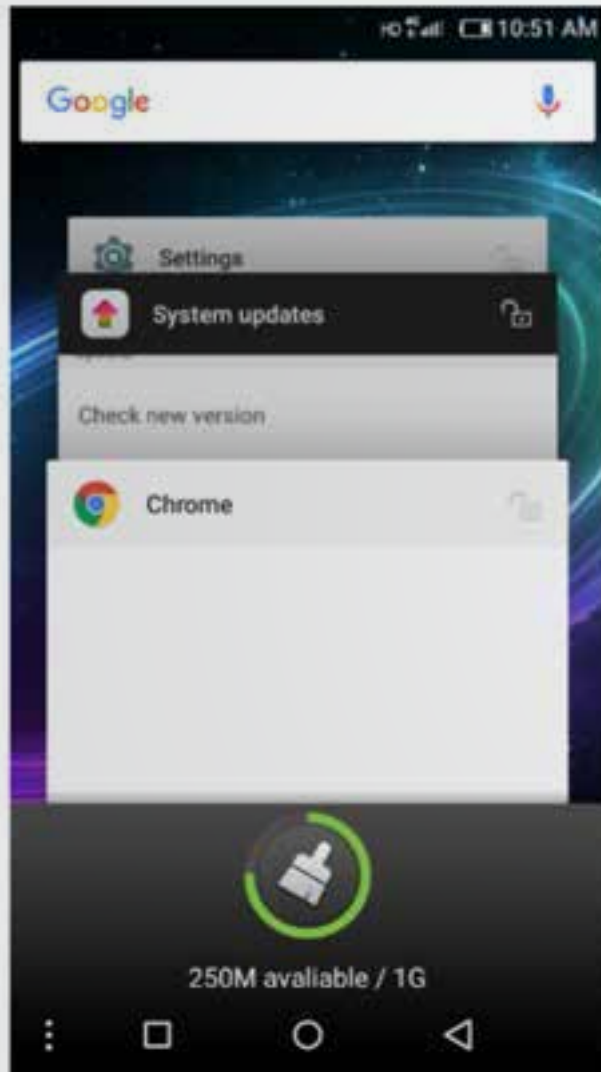

4. After the reboot, the Notification bar will show Update successful

5. You can go to Settings > About Phone > Device Information to check the build number.

PERFORMING A MEMORY CLEAN UP

1. Press the Recent Task key from any screen.
2. Tap the duster icon to clean the memory.

MY PHONE HAS NO SERVICE. WHAT DO I DO?

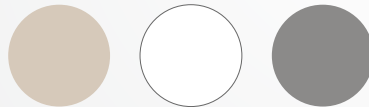

Press and hold the power button to reboot the phone.
